Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you assess how the fund has been managed in the past and relative to its benchmark.

The fund is a newly established UCITS with no performance history and is in effect a continuation of the merging UCITS Ruth Core Nordic Credit (SE0010440941). The receiving UCITS and the merging UCITS have similar investment objectives and policies, and they are managed by the same investment team. Since the merger does not impact the UCITS's performance, the past performance of the merging UCITS is reported.
